

Durify STANDARDS

1. The Big Picture

A. Why I Have Written This

The reason that I write out these standards is to be as up-front and clear as possible with those that I may work with. There are a lot of potentially unclear things in the arena of computer work, especially when working in graphic design. This can make it hard for someone who wishes to live a *clean lifestyle*. Because of this it is good to set clear safeguards up front to avoid participating in what is *not clean*.

B. JESUS IS My Priority

I do not ignore the plain fact that Jesus and the Bible are proven beyond question to be the most real and pure standards of Absolute Truth and are the revelation of the eternally Righteous Standards of God Almighty. It should be known without question then, that my first priority in life -including all computer work and graphic design- is my covenanted devotion and service to JESUS Christ. EVERYTHING I do must be done in this light. This is both for my benefit and for those that I may work with, seeing that the greatest mutual benefit in all respects comes from prioritizing Him.

2. Specifics

There are a few specific details that I would like to establish for all clarity:

A. What I Can Do:

- I. Work with all my heart to do a good job
- II. Work extra time on complex projects
- III. Apply countless computer skills including graphic design
- IV. Creatively work on material that may seem uninteresting
- V. Produce professional quality work

B. What I Can Not Do... What I Cannot Promote:

Subject matter that would in anyway violate the standards clearly set forth in The Bible, such as...

- I. Sexually immoral content or lifestyles, (i.e. homosexuality, premarital romantic indulgence, skimpy (“suggestive”) clothing -such as most bathing suits-, divorced and remarried couples etc.)
- II. Addictions (including smoking, drunkenness, and the like)
- III. Idolatry or any other type of religion
- IV. “Worldliness” (i.e. secular music, any hints of pride, the love of money etc.)
- V. Any other sins (or their likeness) that are condemned by the BIBLE.

Hopefully all of this would already be obvious, but I write these things anyway because I am totally committed to living clean for JESUS, and I want that to be very clear.

Thank you very much for reading this. I look forward to working with you.
